I the undersigned, as Owner, hereby certify the following:

1. I have reviewed the plans and drawings submitted in accordance with the submission checklist found on Final Design Submission Form and certify that they are representative of my intentions to build on the Lot indicated on this form.
2. All exterior lighting will be consistent with the approved submissions and be low-level, thereby not causing illumination "hot-spots" or other undesirable intensity or glare as visible from surrounding properties either from exterior or interior lighting sources.
3. That all paint colors, and other exterior material representations approved from submittal materials will not be changed without written notification and subsequent re-approval of such materials prior to installation.
